

Contractor Sign-In Station

Purpose built to complement Compact's 'Contractor Sign-In System' and help improve compliance with contractor sign-in procedures.

- Provide a central point for contractor sign-in and sign-out.
- Wall mount close to contractor point of entry.
- Free-up valuable space on Reception Desk.
- Keep all PPE together.
- Display panel for site safety rules, notices or site map.
- Supplied flat-pack to minimise freight cost.
- Easy to assemble and wall mount.
