ABOUT COMPACT:

Compact Business Systems is a wholly owned and operated Australian company. During the last 30 years we have grown to become the major Australian supplier of medication management systems to Aged Care Homes and Private Hospitals, records management systems, visitor and contractor access control, identification and safety systems, one-write accounting and bookkeeping systems and a whole lot more.

OUR PARTNERS:

We are a major Australian developer of printing products and systems that assist in improving the health, safety and prosperity of our citizens and all workplaces.

Compact has been chosen by LaserBand® and Colorflex as their Australian partners for the distribution of their innovative products to the local market.
